

**REC Procurement Attestation**

March 26, 2026

Dear Opus,

This letter confirms Renewable Energy Certificate (REC) procurement at STACK Infrastructure facilities leased by Opus (“the Tenant”) and corrects the previous CY2025 letter dated March 3, 2026 to reflect that RECs allocated to tenant by STACK match the total tenant electricity load within the time period.

RECs are sourced by STACK and allocated to the Tenant’s electricity load at the leased STACK facilities noted below.

**REC Procurement Summary:**

<b>Time Period Covered:</b>	<i>January 1, 2025 through December 31, 2025</i>
<b>Tenant:</b>	<i>Opus</i>
<b>Leased STACK Facility Name(s):</b>	<i>POR02A</i>
<b>Leased STACK Facility Address(es):</b>	<i>8135 NE Evergreen Pkwy, Hillsboro, OR 97124</i>
<b>Total Tenant Electricity Load (MWh) within Time Period:</b>	<i>4,613</i>
<b>Percent Tenant Electricity Load covered by STACK-procured RECs:</b>	<i>100%</i>
<b>MWh of RECs Allocated to Tenant by STACK:</b>	<i>4,613</i>
<b>Geographic Region of RECs Procured (Regional, National):</b>	<i>National RECs</i>
<b>Applicable REC Certification(s):</b>	<i>Green-e Certified</i>

Sincerely,
