

Turning Climate Ambition into Impact

Ethical Web Services

HAS CONTRIBUTED TO THE REDUCTION, AVOIDANCE, OR REMOVAL OF

32

tonnes CO₂e

CERTIFICATE OF PURCHASE
24 September 2025

Sheri Hickok
CEO – CLIMATE IMPACT PARTNERS

Project info:

By contributing to the removal of CO₂e from the atmosphere, you're helping deliver measurable benefits for both people and the planet. This purchase supports portfolios made up of some of our highest-quality, independently verified emission reduction projects – carefully selected for their impact across areas such as sustainable infrastructure, public health, and improved livelihoods.

Credit info:

All carbon credits are independently verified by an internationally recognized carbon standard, including the Gold Standard, Verra's Verified Carbon Standard, and the UN Clean Development Mechanism.
